LUMET SYSTEM

Ready-to-use lights

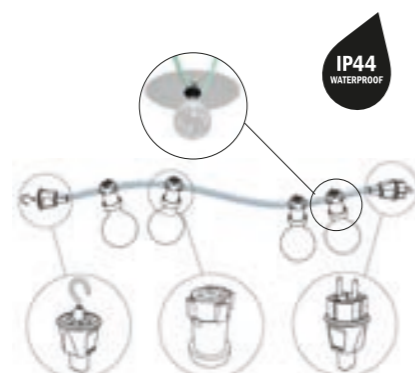

The Lumet System allows you to create outdoor lighting that is easy to install and dismantle. It is perfect for evenings spent outdoors with your friends, at home or on holiday!

Tailor-made

The IP44 protection classification means that you can install the Lumet System string lights in your outdoor spaces, even during the most humid evenings, and quickly take them down before each downpour.

Moisture-protection

The IP44 protection classification means that you can install the Lumet System string lights in your outdoor spaces, even during the most humid evenings, and quickly take them down before each downpour.

LUMET SYSTEM ACCESSORIES

Schuko Plugs, hooks, junctions, lamp holders: everything you need to complete your string light and illuminate gardens, gazebos and terraces.
